**TO THE COURT:**

The parties, by and through their respective counsel, have met and conferred in good faith and agree that a modification of the Court's January 23, 2012 Scheduling Order (Docket Entry #26) to extend all dates by approximately 120 days is appropriate based on the following grounds:

1. During the Court's Initial Case Management Conference, the Court encouraged the parties to attempt to resolve the present dispute and come to a resolution;

2. Throughout the months of May, June, and July 2012 the parties have been engaged in active and ongoing private mediation with mediator Hon. Daniel J. Weinstein, Ret., who is a well known and respected private mediator with experience in resolving high profile cases;

3. The mediation is ongoing and the parties are continuing to negotiate a resolution of the action to the satisfaction of all parties;

4. The parties wish to continue to participate in the ongoing mediation with Judge Weinstein without having to divert resources to litigation activities that are necessitated by the current case schedule and upcoming court deadlines;

5. The parties certify that this request is not made for the purpose of delay, but rather is made in good faith in a concerted effort to have this action resolved expediently and with the efficient use of judicial resources.

Therefore, the parties agree, and hereby propose to the Court, that the current Scheduling Order, Docket Entry #26, be amended with the following new dates:
